### CLIENT OVERVIEW

JF Hillebrand is the world's leading specialist logistics provider to the wine and spirit trade, with a global network of both wholly owned offices and agents present in every major wine and spirit market.

Since 1844, the company has dedicated itself to the efficient and cost-effective logistics of wines, spirits and beers. As well as offering first class logistics services, it also leads the way in the development of innovative products, services and IT tools to the global beverage industry. JF Hillebrand has more than 1650 professionals in 45 offices all over the world.

### KEY BENEFITS DELIVERED

JF Hillebrand has been a longstanding client of HLB member firms around the world. Our member firms have provided a wide range of services to them as they have continued their rapid global expansion. The services provided include annual reporting, taxation and also support on the acquisitions they have made around the world.
